## Prayers for the Corporate Life of SHBC

### FULLFILLING THE LAW OF CHRIST

*Bear one another's burdens, and so fulfill the law of Christ.  
Galatians 6:2*

We are told in this short verse in Galatians that at the heart of the Law that Christ has given there is a commandment for us to bear one another's burdens.

This is a time in which burdens are many, therefore, the opportunities to obey the Law of Christ are also many!

Some may need groceries others may need emotional help. While there will be many different needs among us, there is one need that is common to all and can be supplied by all. We all need prayer and we all can pray. What a wonderful opportunity we have here to carry one another's burdens through prayer.

So, here are a few areas in the life of our church that we can be praying for one another:

1. Pray that in all circumstances the name of God may be glorified.
2. Pray for boldness to share the gospel with unbelievers during this time.
3. Pray for the doctors, nurses, hospital workers and all from our church who are on the front line of battle against this virus.
4. Pray that our fellowship will grow deeper even as our ability to meet grows smaller.
